Gear	Description	How to Get
Advanced Sprinkler 	A sprinkler gear that increases growth speed and mutation chances for crops.	Purchased from the Gear Shop. Also appears occasionally in stock. Can also be rewarded via daily quests or dropped by certain “Mole / Pancake Mole” events.
Basic Sprinkler 	A basic-level sprinkler that increases crop growth and fruit size for a limited period.	Bought from the Gear Shop. Has roughly a 40% chance to appear in stock during shop refreshes. Sometimes obtainable as event reward / via Mole drops.
Cleansing Pet Shard 	A gear used as a crafting ingredient for other pet shards.	Available in the Gear Shop.
Cleaning Spray 	A gear used as a base crafting ingredient in mutation sprays.	Purchased from the Gear Shop.

Gear	Description	How to Get
Godly Sprinkler		A higher-tier sprinkler that boosts both size and mutation odds more than lower ones.
Lightning Rod		A special tool that can grant the “Shocked” mutation to crops, affecting multiple plants in range.
Master Sprinkler		The top-tier sprinkler gear: gives strong boosts to growth, size, and mutation, lasting for longer time than other sprinklers.

Gear	Description	How to Get
Recall Wrench	 Teleports the player to the Gear Shop when used. It has limited uses.	Purchased from Gear Shop Also obtainable via Summer Harvest Event points in some cases
Shovel	 A basic tool to remove or destroy plants. It's in the player's starting inventory.	Given by default – part of the starter tools / inventory for all players
Tanning Mirror	 One of the craftable gear items in the game.	Crafted via the gear crafting system: requires Basic Sprinkler + Advanced Sprinkler + Godly Sprinkler + 500,000 Sheckles Also sometimes purchasable from Gear Shop
Trowel	 A tool that lets you move plants without destroying them. Limited uses.	Bought from Gear Shop

Gear	Description	How to Get
